Alter bei Ankunft: 16 Jahre alt

Programmlänge: August 2024 – Juni 2025

Hobbies: Lesen, Wandern, Gaming, interessiert an Geschichte, mag Hunde

Allergien: Keine

Vegetarier: Nein

Dear Potential Host Family,

Hello my name is Ayden. I live in the West of the USA with my mom, brother, stepdad and two stepsisters. My brother is thirteen and my stepsisters are ten and twelve. I was born in Germany when my dad was stationed there with the US Army. We moved around a lot when I was young. First we lived in Germany where I was born up until the time I was 2 years old. Then we moved to different places in the US.

I am currently a Sophomore at an Academy which is a charter school that gives students the opportunity to work at their own pace and create their own class schedules. I also attended their middle school and feel like this has helped me achieve my goals for the future. When I'm not at school I enjoy hanging out with my friends and family. I also enjoy rock climbing, hiking, reading, cooking, playing video games and spending time with my dog Jade.

I also have a job working for my mom at her dog daycare and boarding business. I have helped my mom for many years and really enjoy being around the dogs and helping run the business. My favorite breed of dog is a French Bulldog. My family owns several of them.

Once I graduated from high school I am planning on attending college to study engineering. I'm currently looking at a couple of different options for college which are Oregon State University and North Carolina State University.

I am very excited about this opportunity. I look forward to immersing myself in the culture, trying new food and getting the opportunity to experience the German lifestyle.

Sincerely,

Ayden
