Dear Host Family,

Hallo, my name is Leo Kane. Ich bin 15 Jahre alt, und ich komme aus dem Mittleren Westen der USA. I currently go to High School where I am a good student, and love to learn. I am on the Robotics team and I am part of the math club at my school. I am also on the track & field and cross country team where I love to do middle distance and jumping events. Ich spiele die Geige. I love to play classical pieces, especially by some composers from Germany. I love to hangout with my friends and tell them jokes. I like to play videogames with my best friend. I have two dogs, Peach and Dash. Sie sind sehr süß!

I am so excited to have the chance to go live in Germany. My family and I have gone there for vacation many times in the past. The last time we went we went to Köln to go see the Christmas Markets; they were a lot of fun, but my favorite part was probably the yummy crepes. My father is fluent in German, (he is not from Germany he just wanted to learn the language) and I have always wanted to communicate with him in German as well, so I hope after this school year, when I go home I will be able to speak with him in German. I also have had an interest in the country as a whole. I am quite interested in history, and I like to watch a lot of history videos, so Germany's rich history entices me. The Holy Roman Empire and the power balance between the Emperor and the Pope is really cool to me. Of course I am also excited to meet my new host family! I don't have any friends that are native German speakers, so getting to know someone from a different hemisphere is an experience I want to have. I also want to go on runs in Germany. In my City, I go on runs on the same old streets, nothing exciting, nothing new, but with Germany I will have a whole new world to see. I want to see the cool German architecture and the experience the German climate on my runs.

It means a lot to me that someone would go out of their way to welcome me into their family and to let me go through this program. I know it might be difficult with there being a lot of changes with this, but I hope this will be fun for me and my host family.

I look forward to meeting you.

Leopold
