Liebe Gastfamilie!

Mein Name ist Erik und ich bin Fünfzehn Jahre alt. Ich wohne in Schweden aber ich bin in China geboren. Ich lebe mit meine Mutter, meinem Vater und natürlich mit meiner Schwarze Hund Saga, who is a Labrador. We live together in a house mit eine sehr großen Garten. My home place is a nice place to live, not so far from bigger cities.

In meiner Freizeit mag ich Basketball und Rennsegel machen. Ich liebe auch zu Musik hören, and I often sing to myself when I hear songs that I like. I race sails for a boat crew, which is located near me. I haven't really competed in a big competition yet, other than a competition I was invited to take part in last year. In winter we also like to ski in the Swedish mountains, but also some parts of the Alps (Austria, Italy and France). I also like watching Formula 1 und Gitarre spiele. I also like playing chess with my friends or family. I also like to racing in Gokarts as well as playing Laser Tag.

My school is an international school und diese Jahre ist mein letztest Jahr an der Schule. My school changes classes every year. This results in me losing some friends during my school years, but also making new friends. Ich finde das okay, aber ein bisschen langweilig weil I don't have all of my friends in my last year.

Ich habe Deutch as mein dritte sprache which means that I have limited Deutch knowledge. My mother speaks German and my father also knows some German. I enjoy learning German. Last school year a German class from Germany came to our school, and one of the students lived here at home with. In April it was our turn to go to Germany and visit. After that week in Germany, I realized that I wanted to spend my exchange year in Germany instead of the US or UK because I attended an English language school and already know English pretty well.

I am very sociable and talkative, which means I easily make friends or have good conversations, which could then be the start of a new friendship. I also find myself pretty sporty and I like to take parts in differencnt types of sports such as, sailing, basketball or football. I am also a pretty calm person and I can be pretty musical and harmonic when I have time for it, and feel for it of corse.

Liebe Grüße von Erik!
